Did you know that you can win prize money for entering those exhibits, and there is no cost to enter exhibits?

Exhibits are one of the things that make Fairs different than Festivals.

This book is filled with different items that can be entered in the Florence County Fair. Our goal is to get as many exhibits as possible from people throughout Florence County, but there are some Special Contests that can be entered by people even if they are outside of Florence County.

If you are unsure how to enter, we are more than happy to help you with it!

*includes bounce houses & inflatable rides at no additional charge

Note: We implemented a price increase in admission for the fair last year. It was not a decision that we made lightly.

The price increase is due to increasing costs to provide you with the entertainment and activities that you have always enjoyed (i.e. Draft Horse Pull, Mud Bog, great Music, etc.) in addition to bringing new events to the fair each year (i.e. Truck Pull).

We understand with rising costs that all of you are impacted individually as well, which is why we are offering to different options to continue to make the fair more affordable for you:

1. If you volunteer a shift at the fair or if you assist the fair with a work bee before the fair, you will get in for free.
2. There is a weekend pass option which will save you \$10 overall if you attend the fair each day.

WE NEED YOU! TO MAKE IT HAPPEN

Did you know that the Florence County Fair is completely run and operate by volunteers? From board members to gate workers, from event coordinators to grounds cleanup crew and serving food and beverages, everyone you see working at the fair is a volunteer.

We are celebrating 121 years of the Florence County Fair this year, and **we need your help now and in the future** in order to keep this Florence County tradition happening. We are looking for help:

- at the Fair itself (single shifts): working at the gate, working in the kitchen and beer stand (3-4 hour shifts)
- at the Fair itself and a little work before hand planning activities: cricket spitting, little king & queen contest, fairest of the fair contest, kids games, vendors, etc (prior activities to bring back—but we are always open to new ideas as well) (3-10 hours of involvement)
- at the Fair itself (supervising areas): the livestock building, grandma's garden
- all year as fair board members: we meet once a month (less in the winter months)
- in the month of August: we have workbees once a week to help get the fairgrounds ready and set to happen
